Virginia Congress of Parents and Teachers

The annual convention of the Virginia Congress of Parents and Teachers will be held in Richmond, October 24 & 25th. This will be the 55th annual meeting of the State PTA, an association which has grown from a membership of 115,000 in 1950 to more than 270,000 in 1960, representing more than one thousand local units.

Theme of the 1960 convention is taken from that of the White House Conference on Children and Youth held last spring in Washington, D. C. Members of the Virginia delegation who attended this conference, both young people and adults, will participate in the consideration of "Promoting Opportunities for Children and Youth to Realize Their Full Potential."

Dr. Edgar M. Johnson, president of the Virginia Congress, will convene the delegates at two o'clock on Monday the 24th. All convention sessions will be held at the John Marshall Hotel. There will be five general meetings of the whole convention in the two and a half day session. A. H. S. Plays Brosville Here

The Appomattox Rebels, who have lost their past two football games by one point each, hope to get a few breaks this Friday night and get on the winning side of the game. They will play a strong Brosville team from Danville, in a Group 2, District 4 league game. Last year these two teams played to a 7 to 7 tie.

Last Friday, Brookville downed the Rebels by a 13 to 12 score in a well-played game. A. H. S. outgained Brookville on the ground, but Brookville completed a pair of touchdown passes after blocked punts, and this made the difference.

Scoring for the Rebels were Bobby Henderson on a pass from Dickie Gull, and Johnny Canada on a play off tackle.

The Rebels now have a record of 1 win and 4 losses.

James Whitehead, a regular end had an accident that has kept him from playing since the first of the season; Pinky Inge, a regular for the past two years never had a chance to start the season due to doctor's orders, and there were a couple of boys who couldn't play due to scholastic reasons. This has weakened the team. Added to this, considerations have increased the enrollment of other teams in the league. For example, Amherst has an enrollment of over 800, as has Nelson County, A. H. S. has around 500 students. All of these factors are involved in the football situation here. However, the fans have turned out in large numbers supporting the Rebels, and Coach Bragg hopes for some winning games before the end of the season.

COLLEGE TEAMS TO PLAY HERE FOR JAYCEES

The Appomattox Jaycees are sponsoring the first College Football game ever played in Appomattox. The teams participating will be William & Mary and V. M. I. Freshman. The game will be staged at the Appomattox High School Football field on Saturday night October, 29th, with game time at 8:00 P. M.

The William & Mary team, with a new coach Dave DeFalco from Pennsylvania State will bring with him the best material ever at W. & M. Among them will all be linemen T. W. Alley (6-2ft-225lbs), second team All-American Mike Lesniak (6-2 ft. 215 lbs) and John Sapinsley (6-3ft,240 lbs) who rejected strong overtures from Penn. State and Syracuse. The William & Mary team will bring 33 players to Appomattox with each player having outstanding High School records.

The Papooses, who beat Fork Union Military Academy, have a line averaging 204 lbs. with their backfield average 171 pounds. This team has played the University of Richmond and George Washington University.

The V. M. I. team will travel here with 44 players, such names as Charle Nunnally (6-11 ft. 180 lbs.) best High School backfield man in Virginia last year; Don Giles of Lynchburg, and David Ayers of Roanoke. Twenty-nine of the 44 players are Virginia high school players.

The scheduling of this game will give the Appomattox football fans an opportunity to see a college football game for the price of 1.50 for adults and seventy-five cents for students.
